

Let Spec Racer Sports host your Corporate or Team Building Event at MSR Houston.

{gallery}corporate:250:188:0:{/gallery}

Road racing and karting is an effective team building exercise. Build relationships and morale as you compete on the track together. Try a few laps on the road coarse in a Spec Racer Ford or race each other on the kart sprint track. Afterwards relax in the lounge outfitted with a large screen tv, comfortable couches, full kitchen, locker roon with shower, or sit on the balcony and view the action while overlooking the road coarse.
